2. Eligibility

2.2 Each team must consist of a minimum of two and a maximum of twenty-five young people. ECO-UNESCO reserves the right to permit larger groups at its discretion. To include more, mentors must request approval from ECO-UNESCO.

2.3 YEA is open to young people in the Republic of Ireland or Northern Ireland.

2.4 Participants are eligible to re-enter projects to the YEA under the Further Growth Award, showcasing the evolution of their project.

3. Young People's Permission & Consent

3.1 As parental/guardian permission is required for those under 18 years of age, it is the responsibility of the mentor/teacher to confirm this is in place when registering for YEA, submitting materials for YEA, and attending YEA-related events. Young people should also be informed of what has been consented for on their behalf.

3.2 For participants who are 18 years or older, it is the responsibility of the mentor/teacher to confirm participant permission is in place when registering for YEA, submitting materials for YEA, and attending YEA-related events.

3.3 In giving permission as a mentor throughout YEA, mentors confirm permission on behalf of participants and/or parents/guardians.

4. Registration

4.1 All groups wishing to participate in the YEA must register by midnight on the date advertised on yea.ie. Entry deadlines may be extended at the sole discretion of ECO-UNESCO.

4.2 The Project Mentor(s) on the registration form will be the main point of contact with ECO-UNESCO throughout the YEA process.

4.3 Several groups may enter from the same school/organisation with one project per group. Projects must be youth-led, environmentally focused and action-based.

4.4 Groups must register to the relevant age category (Junior, Senior or Super Junior). Age guidelines are available online, and groups should fall into the age category of their oldest member.

4.5 ECO-UNESCO reserves the right to reassign a group into a category deemed more suitable by the organisation. ECO-UNESCO reserves the right not to award a category at their discretion.

4.6 ECO-UNESCO must be contacted if any of the registration details change.

4.7 The teacher/principal/mentor is responsible for participants throughout the programme. ECO-UNESCO is not liable for any costs, damages, or injuries related to the programme.

4.8 If a project is withdrawn or cannot be completed, mentors/participants must email yea@ecounesco.ie as soon as possible. The YEA team will advise on next steps and any future participation options.
